FEATURES

- Sealed stove with top coaxial flue gas outlet.
- Balanced Door with self-balancing hinges.
- Steel structure with a lacquered metal, stone or soapstone cladding and nickel trims.
- Rounded shape with glass door and cast iron top.
- Two doors: one design door with mirror steel firebox surround and one technical door.
- Burn pot in very thick cast iron.
- Large ash drawer and Speedy Clean system.
- Combustion air ducted from outdoors.
- Variable-speed fan with Zero Speed Fan technology (the fan can be switched off to increase acoustic comfort and favour natural heat diffusion).
- Suitable for a top flue gas outlet and coaxial air inlet integrated in the stove's shape.
- Quick Start system (reduces ignition time).
- Designed to work with our Connection box.
